Documentation Updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To check for recent updates or to verify that you are using the most recent edition of a document, go to the following URL and sign-in or register: <https://softwaresupport.hp.com/>

Use the Search function at the top of the page to find documentation, whitepapers, and other information sources. To learn more about using the customer support site, go to:

https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

You will also receive updated or new editions if you subscribe to the appropriate product support service. Contact your HP sales representative for details.

Support

Visit the HP Software Support Online web site at <https://softwaresupport.hp.com/>

This web site provides contact information and details about the products, services, and support that HP Software offers.

HP Software online support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the support web site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Download software patches

Documentation Readme

- Manage support contracts
- Look up HP support contacts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

To learn more about using the customer support site, go to:

https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

This document provides information regarding documentation and help availability for HP Propel 1.11 and HP Propel Service Exchange 1.11, including links to manuals and help PDFs, plus language support information.

Documentation

To access HP Propel documentation and whitepapers, go to the following URL and sign-in or register:
<https://softwaresupport.hp.com/>

The HP Software Support site has been upgraded. To learn more about using the customer support site, go to:

https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

To access documentation, whitepapers, and other information sources, use the Search function.

Available core documentation is shown below with whitepapers and other knowledge sources added as required; see Localized Languages for language support.

HP Propel and Service Exchange Documentation
Administration Guide
Installation and Configuration Guide
Open Source and Third-Party Software License Agreements document
Release Notes
Support Matrix
