Additional Information

Online Documentation

To check for recent updates or to verify that you are using the most recent edition of a document, go to:

http://softwaresupport.hp.com

Note: If you have reached this library, you have already signed in with your HP Passport credentials. You can also receive updated documentation if you subscribe to the appropriate product support service. Contact your HP sales representative for details. See Document Change Notes within the document for a list of any revisions.

Support

You can visit the HP Software Support web site at: http://softwaresupport.hp.com

This web site provides contact information and details about the products, services, and support that HP offers.

Most of the support areas require that you register as an HP Passport user and sign in. Many also require an active support contract. To find more information about support access levels, go to:

https://softwaresupport.hp.com/web/softwaresupport/access-levels

To register for an HP Passport ID, go to: https://ovrd.external.hp.com/rd/register

Support Matrices

For complete support and compatibility information, see the support matrix for the relevant product release. All support matrices and product manuals are available here on the HP Software Support Online website:

https://softwaresupport.hp.com/group/softwaresupport/support-matrices

You can also download the Support Matrix for this release from the HP Self-solve documentation portal:

http://softwaresupport.hp.com
