HP Software Operations Orchestration 7.2x, 7.5x and 7.6x Obsolescence Announcement Frequently Asked Questions

On December 1, 2013, HP announced the end of sale date and end of support dates for Operations Orchestration 7.2x, 7.5x and 7.6x.

This document provides answers to frequently asked questions regarding this announcement.

Product related questions	
Question	When is HP discontinuing Operations Orchestration 7.2x, 7.5x and 7.6x?
Answer	Effective December 1, 2013, HP is announcing the discontinuance of Operations Orchestration 7.2x, 7.5x and 7.6x. Current customers may continue to purchase additional licenses of Operations Orchestration 7.2x, 7.5x and 7.6x, until February 1, 2014. As of this date, the product will be removed from HP's Corporate Price List and will no longer be orderable.
Question	Why is HP discontinuing Operations Orchestration 7.2x, 7.5x and 7.6x?
Answer	Effective with the new release of Operations Orchestration 10.00, HP is announcing the obsolescence of the older versions of Operations Orchestration. This is in accordance with the HP Software Supported Version Policy 4.4. Definitions of terms are documented in the HP Software product version obsolescence guidelines.
Question	What product numbers are affected by this obsolescence?
Answer	Please refer to Appendix B in the customer letter for the list of affected product numbers.
Question	When is the last date I can order Operations Orchestration 7.2x, 7.5x and 7.6x?
Answer	Operations Orchestration 7.2x, 7.5x and 7.6x will continue to be available for purchase to current support customers through February 1, 2014. As of that date, you will no longer be able to purchase additional licenses of the product.
Question	Can I still purchase additional licenses for Operations Orchestration 7.2x, 7.5x and 7.6x? If yes, how?
Answer	Additional licenses may not be purchased for versions that are discontinued and past their end of sale date..

Question	Do I need to request new license keys when upgrading to Operations Orchestration 10.00?
Answer	No, you don't need new license keys for Operations Orchestration 10.00 .
Question	What version of Operations Orchestration is currently available and what upgrade plans do you have for the product, if any?
Answer	The latest version is Operations Orchestration 10.00. Please check www.hp.com/go/software or otherwise check with your local HP sales representative or HP software business partner for the latest information.
Question	Who can I contact if I have more questions with regards to this product discontinuance?
Answer	You have several options available to you: • Contact your local HP sales representative or your local HP software business partner: h20229.www2.hp.com/buy/index.html • Web Self Solve: hp.com/go/hpsoftwaresupport/ • HP Technical Support: hp.com/go/hpsoftwaresupport/casemanager/submitcase
Question	What are the hardware requirements to upgrade to Operations Orchestration 10.00?
Answer	Hardware requirements will vary depending on your operating system, please review the appropriate System Requirements and Compatibility Matrix document or contact your local HP Sales Representative or HP Software Business Partner for further assistance.
Question	Where can I find upgrade information for Operations Orchestration 7.2x, 7.5x and 7.6x?
Answer	Your local HP sales representative or HP Software Business Partner can help you get this information.
Question	I plan to upgrade my Operations Orchestration 7.2x, 7.5x and 7.6x environment using in-house technical resources. Where do I get all the required software?
Answer	All Operations Orchestration 7.2x, 7.5x and 7.6x support customers can download Operations Orchestration 10.00 media via 'My Updates'.
Question	What is the concurrent support time period?
Answer	There will be 6 months of concurrent support for getting migrated to Operations Orchestration 10.00

Support contract related questions	
Question	What is the end of support date?

Answer	The End of Support date for Operations Orchestration 7.2x, 7.5x and 7.6x is May 31, 2014. As of this date all customer support activities for this version will cease, this includes: • Telephone support • Security Rule updates • Product upgrades
Question	Are there any other key dates I need to be aware of?
Answer	Please see Customer Letter page 1 for key dates.
Question	What are my discontinuance options?
Answer	Customers have the option to continue using Operations Orchestration 7.2x, 7.5x and 7.6x . HP will stop providing support for Operations Orchestration 7.2x, 7.5x and 7.6x on May 31, 2014. Self-Help Support will continue to be available through May 31, 2016. Customers are encouraged to begin reviewing their business requirements for Operations Orchestration 7.2x, 7.5x and 7.6x . Customers are also encouraged to contact their local HP Sales Representative or HP Software Business Partner for help in determining migration options that meet your business needs.
Question	Can I get a support contract for technical support only, without having to pay for upgrades?
Answer	No, support contracts include both technical support and software updates.
Question	Should there be a defect with a version of Operations Orchestration 7.2x, 7.5x and 7.6x for which no defect fixing is done anymore, can I pay for a fix to be implemented on my request?
Answer	HP may choose to offer defect fixes at a premium price, depending on available resources.
Question	If I am on a support contract, what will I be entitled to?
Answer	You should have received a letter or electronic notification from HP to inform you about the availability of Operations Orchestration 10.00 for support customers, what license(s) you were entitled to under your support contract and how to sign up for it. Your local HP Sales and Support Representatives or your HP Software Business Partner can help provide information and assistance to enable your upgrade to be easy and successful.
Question	When I upgrade from Operations Orchestration 7.2x, 7.5x and 7.6x to Operations Orchestration 10.00, can I continue my existing support contracts until they expire?
Answer	Yes, your support contract will be updated automatically at the next renewal time.

Question	When I upgrade from Operations Orchestration 7.2x, 7.5x and 7.6x to Operations Orchestration 10.00, can I expect the same support pricing compared to Operations Orchestration 7.2x, 7.5x and 7.6x?
Answer	Not necessarily. Each product support price is determined independently. Please work with your HP representative to know the difference in support pricing, if any.

Question	What migration services are available to help me upgrade?
Answer	Your local HP sales representative or HP software business partner can help you get this information..
Question	What educational training packages are available for the Operations Orchestration 10.00?
Answer	Your local HP sales representative or HP software business partner can help you get this information.
