Antivirus Software

The Data Protector Notebook Extension Agent has been certified with the following Antivirus software products:

- Symantec Antivirus
- McAfee Antivirus

The DPNE Agent may work with other Antivirus scanners as well but HP did not test those.

Web Browsers

The following web browsers have been certified with the Console of DPNE Policy Server:

- Microsoft Internet Explorer 6.0 and higher
- Mozilla Firefox 3.0 and higher

Other web browsers may work with the DPNE Policy Server Console as well but HP did not test those.
