About EOTSP1

The HP Deployment Management Extension for Oracle Technology version 7.1.0 Service Pack 1 (EOTSP1) provides support for Oracle E-Business Suite Release 12. The following entities have been added to the Extension to support deployment in an Oracle Applications E-Business Suite Release 12 environment.

- Object types
 - Forms 10G EOTSP1
 - Reports 10G EOTSP1

System Requirements

- Installed version of HP PPM Project and Portfolio Management Center version 7.1 SP7.
- Installed version of HP Deployment Management Extension for Oracle Technology version 7.1.0.
- Patches to fix Oracle defects affecting use of Forms 10G and Reports 10G when used in an Oracle Applications E-Business Suite Release 12.0.0 and 12.0.1 environment, including defects 5456500 and 5101276. Oracle has released one-off patches for these defects and they are fixed in Release 12.0.0.2 (R12 with RUP2) and later.

Installation Steps

1. Copy the service pack file mitg-710-EOTSP1.jar to the <PPM_Home> directory. This is the directory where the PPM server is installed.
2. Change to the <PPM_Home>/bin directory.
3. Make sure that the PPM Server is running.
4. Run the following command: sh ./kDeploy.sh -i EOTSP1
5. Follow the on-screen instructions to complete the service pack installation.
6. Stop the PPM Server.
7. Restart the PPM Server.

Support

- You can visit the HP Software support web site at:

www.hp.com/go/hpsoftwaresupport

This web site provides contact information and details about the products, services, and support that HP Software offers.

- HP Software online software support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the support site to:
 - Search for knowledge documents of interest
 - Submit and track support cases and enhancement requests
 - Download software patches
 - Manage support contracts
 - Look up HP support contacts
 - Review information about available services
 - Enter into discussions with other software customers
 - Research and register for software training
- Most of the support areas require that you register as an HP Passport user and sign in. Many also require an active support contract. To find more information about support access levels, go to the following URL:

http://h20230.www2.hp.com/new_access_levels.jsp
- To register for an HP Passport ID, go to the following URL:

<http://h20229.www2.hp.com/passport-registration.html>
