## Definitions

Capitalized terms not otherwise defined in this ALA document are defined in the governing agreement.

Term	Definition
<i>Bundle or Bdl</i>	means an offering which includes a Term LTU, Term Support and SaaS.
<i>Connector or Conn</i>	means an integration element to a certain software, format or function through use of the HP software product.
<i>Concurrent User or CC Users</i>	means the software is licensed by the amount of users that simultaneously Use the software at any one point in time. The software can be installed on any number of computers provided that the actual usage of the software does not exceed the number of licenses purchased.
<i>Connect-It Database Device License</i>	means the right to expose data in one database to another database when the originating database is licensed by number of Devices. One license is required for each 100 managed Devices.
<i>Connect-It Server License</i>	means the right to use the respective Connector without Connect-It Device License, Connect-It User License or Instance restrictions.
<i>Connect-It User License</i>	means one Named User or Floating User in an AssetCenter or Asset Manager Instance or one Named User or Floating User in a ServiceCenter or Service Manager Instance or one Named User or Floating User in a Service Desk Instance in any Scenario with a respective Connector.
<i>Device or Dev</i>	means an addressable entity including but not limited to router, switch, bridge, hub, server, PC, laptop, handheld device or printer that resides within the range defined for interrogation and asset tracking.

<b>Term</b>	<b>Definition</b>
<i>E-LTU and E-Media</i>	means products which are electronically delivered only, and as such any references to FOB Destination or delivery methods that are stated on Licensee's purchase order other than electronic shall be null and void with respect to these E-LTU or E-Media products.
<i>Enterprise Use</i>	means Unlimited Use as specified in the software specific license terms below.
<i>Floating Users or Flt Users</i>	means the maximum number of individuals out of a total user population, authorized by the Licensee to access the software at a given point in time.
<i>Guest Users</i>	means a specific individual authorized by the Licensee to have access to the software.
<i>Implementation</i>	means an installation of the software on a single Server or installed on a cluster of Servers which work together as a single installation of the software.
<i>Instance</i>	means each implementation of the application installed on a Server.
<i>Internal Use</i>	means access and Use of the software for purposes of supporting the internal operations or functions of Licensee.
<i>LTU</i>	means License To Use.
<i>Managed Configuration Item (CI)</i>	means a component of an IT Infrastructure, including a documentary item such as a Service Level Agreement or a Request for Change which is (or is to be) under the control of Configuration and therefore subject to formal change control.
<i>Named User or Nmd User</i>	means a specific individual authorized by Licensee to access the software regardless of whether they are actively using the software.
<i>SaaS</i>	means Software as a Service which is a service which allows access to the software, support and related professional services, as described in an order document, datasheet or a Statement of Work (SOW).
<i>Scenario</i>	means configuration sets within Connect-It that define data exchanges between multiple endpoints, using a Connector to each endpoint.
<i>Server</i>	means any designated computer system in which an Instance or Instances of the software is installed.
<i>Suite</i>	means two or more software products combined into a single license offering. The specific software products included in a Suite are specified in the software specific license terms below. Software products included in a Suite are governed by the individual authorizations and use restrictions associated with each software product.
<i>Term License to Use or Term LTU</i>	means a software license to use (LTU) which indicates in its license description that the license is valid for a specific period of time such as One Month (1M), One Year (1Y) etc. Term LTU's are not perpetual licenses.
<i>Term Support</i>	means a fixed period support offering that is only valid during the time period of the associated Term LTU.
<i>Unlimited or Unl</i>	means without restrictions in terms of number of systems, devices or media, depending on the context.
<i>Use</i>	means to install, store, load, execute and display one copy of the software.

## Software specific license terms

For software products with software specific license terms, these terms are described below. Software products covered by ALA document (as listed above) and not covered in this section do not have software specific license terms.

## HP Asset Manager 5.20 and later releases

Administration of the HP Asset Manager Procurement module Self-Service Catalog is limited to five (5) Named Users of Service Manager Foundation for the sole purpose of administration of this module. Authorized Service Manager administration functions include:

- management of operator profiles
- synchronization of reference data to/from HP Asset Manager
- back-office management of the Self-Service Catalog
- support of Guest User client sessions initiated from HP Asset Manager
- automated submission of Self-Service Catalog Requests to HP Asset Manager
- enables HP Asset Manager Guest Users access to HP Service Manager's Self-Service Catalog and shopping cart functionality through the HP Asset Manager web client. Self-service access is limited by the quantity of HP Asset Manager Guest Users licensed by you.

HP Asset Manager Software Asset Management Enterprise Use license provides the ability to Use as many Floating Users and Named Users as necessary for the Software Asset Management module in the limits of the number of users licensed for the Portfolio module.

Each Guest User will have the ability to log into HP Asset Manager but use of the software is restricted to the following activities:

- View assets
- View requested items for the licensed individual or the licensed users defined workgroup
- View and update tickets in AC/AM helpdesk
- View employees, departments, locations and tax tables
- View workflows as they apply to the licensed user (such as tasks and phases)
- Review departmental budgets and cost centers
- Approve and view requests
- Submit requests

HP Asset Manager includes a reporting solution license for SAP Crystal Reports and, for HP Asset Manager 9.30 forward, for SAP BusinessObjects Enterprise. Customers who have valid licenses for HP Asset Manager are authorized to download and install one Instance of SAP Crystal Reports Server, as well as the number of copies of SAP Crystal Reports Dashboard Design needed for the activity of the applicative developers supporting the HP Asset Manager implementation. SAP Crystal Reports and SAP BusinessObjects Enterprise can only be used for reporting on the licensed Instances of HP Asset Manager (including production and development Instances). The maximum number of Concurrent Users accessing SAP Crystal Reports Server must not exceed the maximum number of Concurrent Users authorized in the license for HP Asset Manager (number of Named Users + Number of Floating Users + number of Guest Users). These users must be licensed for HP Asset Manager and authenticated in the HP Asset Manager software.

## HP Connect-It

You shall not be limited to the number of Instances of the software licensed provided you does not exceed the number of Connect-It Database Device Licenses or Connect-It user licenses required in each Scenario. For example, a Scenario exposing 700 Devices through HP UCMDB, HP Universal Discovery or HP DDM Inventory to a non-HP product requires 7 Connect-It Device licenses. Furthermore, an HP Connect-It Connector being used where there is one Instance of HP Asset Manager with a total of 20 Named Users and Floating Users, one Instance of HP Service Manager with a total of 80 Named Users and Floating Users and one Instance of HP Project & Portfolio Manager with a total of 50 Named Users, requires 150 Connect-It User Licenses for each licensed HP Connect-It Connector. There are no restrictions on the number of data sources a specific HP Connect-It Connector can integrate with provided you do not exceed the number of HP Connect-It Database Device licenses or Connect-It User Licenses required in each Scenario. There are no Instance or user restrictions on Connect-It Server Licenses.

## HP Asset Management Center Suite offerings

Suite	Offering includes
<i>HP Asset Manager Enterprise Suite – Named User</i>	<ul style="list-style-type: none"><li>▪ 1 HP Asset Manager Server</li><li>▪ 1 HP Asset Manager Portfolio Named User</li><li>▪ 1 HP Asset Manager Contracts Named User</li><li>▪ 1 HP Asset Manager SAM Named User</li><li>▪ 1 HP Asset Manager Procurement Named User</li><li>▪ 1 HP Asset Manager Financial Management Named User</li><li>▪ 100 HP Asset Manager Guest Users</li></ul>

Suite	Offering includes
<i>HP Asset Manager Enterprise Suite – Named User</i>	<ul style="list-style-type: none"><li>▪ 1 HP Asset Manager Server</li><li>▪ 1 HP Asset Manager Portfolio Named User</li><li>▪ 1 HP Asset Manager Contracts Named User</li><li>▪ 1 HP Asset Manager SAM Named User</li><li>▪ 1 HP Asset Manager Procurement Named User</li><li>▪ 1 HP Asset Manager Financial Management Named User</li><li>▪ 100 HP Asset Manager Guest Users</li></ul>
<i>HP Asset Manager Enterprise Suite – Floating User</i>	<ul style="list-style-type: none"><li>▪ 1 HP Asset Manager Server</li><li>▪ 1 HP Asset Manager Portfolio Floating User</li><li>▪ 1 HP Asset Manager Contracts Floating User</li><li>▪ 1 HP Asset Manager SAM Floating User</li><li>▪ 1 HP Asset Manager Procurement Floating User</li><li>▪ 1 HP Asset Manager Financial Management Floating User</li><li>▪ 100 HP Asset Manager Guest Users</li></ul>
<i>HP Asset Tracking Suite</i>	<ul style="list-style-type: none"><li>▪ 1 HP Asset Manager Server</li><li>▪ 10 HP Asset Manager Portfolio Named Users</li><li>▪ 2,000 DDM Inventory Devices</li></ul>

## Additional license terms

### Term

- A. Software contains software and associated specifications licensed from third parties that are confidential to, and trade secrets of, such parties. You will not take any action other than to Use it as authorized under the agreement as part of the software products and will not disclose it to third parties.
- B. You shall install and use the software as authorized in the applicable agreement only as a complete product and may not use portions of such software on a standalone basis separate from the complete software unless expressly authorized in the Supporting Material, specifications or an applicable agreement.
- C. Unless stated otherwise, you are authorized to Use one Device at a time for your Internal Use.
