

# HP Software Release Control 5.0x Obsolescence Announcement

## Frequently Asked Questions

On July 1, 2013, HP announced the end of sale date and end of support dates for Release Control 5.0x.

This document provides answers to frequently asked questions regarding this announcement.

### Product related questions

*Question* When is HP discontinuing Release Control 5.0x?

*Answer* Effective July 1, 2013, HP is announcing the discontinuance of Release Control 5.0x. Current customers may continue to purchase additional licenses of Release Control 5.0x until September 1, 2013. As of this date, the product will be removed from HP's Corporate Price List and will no longer be orderable.

*Question* Why is HP discontinuing Release Control 5.0x?

*Answer* Effective with the new release of Release Control 9.2x, HP is announcing the obsolescence of the older versions of Release Control. This is in accordance with the HP Software Supported Version Policy 44. Definitions of terms are documented in the [HP Software product version obsolescence guidelines](#).

*Question* What product numbers are affected by this obsolescence?

*Answer* Please refer to Appendix B in the customer letter for the list of affected product numbers.

*Question* When is the last date I can order Release Control 5.0x?

*Answer* Release Control 5.0x will continue to be available for purchase to current support customers through September 1, 2013. As of that date, you will no longer be able to purchase additional licenses of the product.

*Question* Can I still purchase additional licenses for Release Control 5.0x? If yes, how?

*Answer* Additional licenses may not be purchased for versions that are discontinued and past their end of sale date.

<i>Question</i>	Do I need to request new license keys when upgrading to Release Control 9.2x?
<i>Answer</i>	No, you don't need new license keys for Release Control 9.2x.
<i>Question</i>	What version of Release Control is currently available and what upgrade plans do you have for the product, if any?
<i>Answer</i>	The latest version is Release Control 9.2x. Please check the <a href="http://www.hp.com/go/software">www.hp.com/go/software</a> pages or otherwise check with your local HP sales representative or HP software business partner for the latest information.
<i>Question</i>	Who can I contact if I have more questions with regards to this product discontinuance?
<i>Answer</i>	You have several options available to you: <ul style="list-style-type: none"> <li>• Contact your local HP sales representative or your local HP software business partner: <a href="http://h20229.www2.hp.com/buy/index.html">h20229.www2.hp.com/buy/index.html</a></li> <li>• <u>Web Self Solve:</u> <a href="http://www.hp.com/go/hpssoftwaresupport/">www.hp.com/go/hpssoftwaresupport/</a></li> <li>• HP Technical Support: <a href="http://www.hp.com/go/hpssoftwaresupport/casemanager/submitcase">www.hp.com/go/hpssoftwaresupport/casemanager/submitcase</a></li> </ul>
<i>Question</i>	What are the hardware requirements to upgrade to Release Control 9.2x?
<i>Answer</i>	Hardware requirements will vary depending on your operating system, please review the appropriate System Requirements and Compatibility Matrix document or contact your local HP Sales Representative or HP Software Business Partner for further assistance.
<i>Question</i>	Where can I find upgrade information for Release Control 9.2x?
<i>Answer</i>	Your local HP sales representative or HP Software Business Partner can help you get this information, alternatively please see the Customer Letter for further details.

<i>Question</i>	What is the concurrent support time period?
<i>Answer</i>	There will be 6 months of concurrent support for getting upgraded to Release Control 9.2x.

### Support contract related questions

<i>Question</i>	What is the end of support date?
<i>Answer</i>	The End of Support date for Release Control 5.0x is January 31, 2014. As of this date all customer support activities for this version will cease, this includes: <ul style="list-style-type: none"> <li>• Telephone support</li> <li>• Security Rule updates</li> <li>• Product upgrades</li> </ul>
<i>Question</i>	Are there any other key dates I need to be aware of?
<i>Answer</i>	Please see Customer Letter page 1 for key dates.

<i>Question</i>	What are my discontinuance options?
<i>Answer</i>	Customers have the option to continue using Release Control 5.0x. HP will stop providing support for Release Control 5.0x on January 31, 2014. Self-Help Support will continue to be available through January 31, 2016. Customers are encouraged to begin reviewing their business requirements for Release Control 5.0x. Customers are also encouraged to contact their local HP Sales Representative or HP Software Business Partner for help in determining migration options that meet your business needs.
<i>Question</i>	Can I get a support contract for technical support only, without having to pay for upgrades?
<i>Answer</i>	No, support contracts include both technical support and software updates.
<i>Question</i>	Should there be a defect with a version of Release Control 5.0x for which no defect fixing is done anymore, can I pay for a fix to be implemented on my request?
<i>Answer</i>	HP may choose to offer defect fixes at a premium price, depending on available resources.
<i>Question</i>	If I am on a support contract, what will I be entitled to?
<i>Answer</i>	You should have received a letter or electronic notification from HP to inform you about the availability of Release Control 9.2x for support customers, what license(s) you were entitled to under your support contract and how to sign up for it. Your local HP Sales and Support Representatives or your HP Software Business Partner can help provide information and assistance to enable your upgrade to be easy and successful.
<i>Question</i>	When I upgrade from Release Control 5.0x to Release Control 9.2x, can I continue my existing support contracts until they expire?
<i>Answer</i>	Yes, you can continue using your existing support contracts until they expire.
<i>Question</i>	When I upgrade from Release Control 5.0x to Release Control 9.2x, can I expect the same support pricing compared to Release Control 5.0x?
<i>Answer</i>	Not necessarily. Each product support price is determined independently.
