

# HP Operations Manager for Linux (OML) 9.0x Obsolescence Announcement

## Frequently Asked Questions

On March 1, 2013, HP announced the end of sale date and end of support dates for HP Operations Manager for Linux (OML) 9.0x.

This document provides answers to frequently asked questions regarding this announcement.

### Product related questions

<i>Question</i>	When is HP discontinuing OML 9.0x?
<i>Answer</i>	Effective March 1, 2013, HP is announcing the discontinuance of OML 9.0x. Current customers may continue to purchase additional licenses of OML 9.0x until May 1, 2013. As of this date, the product will be removed from HP's Corporate Price List and will no longer be orderable.
<i>Question</i>	Why is HP discontinuing OML 9.0x?
<i>Answer</i>	Effective with the new release of OML 9.1x, HP is announcing the obsolescence of the older versions of OML. This is in accordance with the HP Software Supported Version Policy 4.4. Definitions of terms are documented in the <a href="#">HP Software product version obsolescence guidelines</a> .
<i>Question</i>	What product numbers are affected by this obsolescence?
<i>Answer</i>	Please refer to Appendix B in the customer letter for the list of affected product numbers.
<i>Question</i>	When is the last date I can order OML 9.0x?
<i>Answer</i>	OML 9.0x will continue to be available for purchase to current support customers through May 1, 2013. As of that date, you will no longer be able to purchase additional licenses of the product.
<i>Question</i>	Can I still purchase additional licenses for OML 9.0x? If yes, how?
<i>Answer</i>	Additional licenses may not be purchased for versions that are discontinued and past their end of sale date.
<i>Question</i>	Do I need to request new license keys when upgrading to OML 9.1x?
<i>Answer</i>	No, you don't need new license keys. Your existing license keys would continue to work.
<i>Question</i>	What version of OML is currently available and what upgrade plans do you have for the product, if any?

March 2013

*Answer* The latest version is OML 9.1x. Please check the [IT Management Products](#) page or otherwise check with your local HP sales representative or HP software business partner for the latest information.

*Question* Who can I contact if I have more questions with regards to this product discontinuance?

*Answer* You have several options available to you:

- Contact your local HP sales representative or your local HP software business partner: [h20229.www2.hp.com/buy/index.html](http://h20229.www2.hp.com/buy/index.html)
- Web Self Solve: [hp.com/go/hpssoftwaresupport/](http://hp.com/go/hpssoftwaresupport/)
- HP Technical Support: [hp.com/go/hpssoftwaresupport/casemanager/submitcase](http://hp.com/go/hpssoftwaresupport/casemanager/submitcase)

*Question* What are the hardware requirements to upgrade to OML 9.1x?

*Answer* Hardware requirements will vary depending on your operating system, please review the appropriate System Requirements and Compatibility Matrix document or contact your local HP Sales Representative or HP Software Business Partner for further assistance.

*Question* Where can I find upgrade information for OML 9.1x?

*Answer* Your local HP sales representative or HP Software Business Partner can help you get this information, alternatively please see the Customer Letter for further details.

*Question* I plan to upgrade my OML 9.0x environment using in-house technical resources. Where do I get all the required software?

*Answer* All OML 9.0x support customers can download OML 9.1x media via [My Updates](#).

*Question* What is the concurrent support time period?

*Answer* There will be six months of concurrent support for updating to OML 9.1x.

### Support contract related questions

*Question* What is the end of support date?

*Answer* The End of Support date for OML 9.0x is December 31, 2014. As of this date all customer support activities for this version will cease, this includes:

- Telephone support
- Security Rule updates
- Product upgrades

*Question* Are there any other key dates I need to be aware of?

*Answer* Please see Customer Letter page 1 for key dates.

*Question* What are my discontinuance options?

*Answer* Customers have the option to continue using OML 9.0x. HP will stop providing support for OML 9.0x on December 31, 2014. Self-Help Support will continue to be available through December 31, 2016. Customers are encouraged to begin reviewing their business requirements for OML 9.0x. Customers are also

encouraged to contact their local HP Sales Representative or HP Software Business Partner for help in determining migration options that meet your business needs.

*Question* Can I get a support contract for technical support only, without having to pay for upgrades?

*Answer* No, support contracts include both technical support and software updates.

*Question* Should there be a defect with a version of OML for which no defect fixing is done anymore, can I pay for a fix to be implemented on my request?

*Answer* HP may choose to offer defect fixes at a premium price, depending on available resources.

*Question* If I am on a support contract, what will I be entitled to?

*Answer* You should have received a letter or electronic notification from HP to inform you about the availability of OML 9.1x for support customers, what license(s) you were entitled to under your support contract and how to sign up for it. Your local HP Sales and Support Representatives or your HP Software Business Partner can help provide information and assistance to enable your upgrade to be easy and successful.

*Question* When I upgrade from OML 9.0x to OML 9.1x, can I continue my existing support contracts until they expire?

*Answer* Yes, your support contract will be updated automatically at the next renewal time.

*Question* When I upgrade from OML 9.0x to OML 9.1x, can I expect the same support pricing compared to OML 9.0x?

*Answer* Not necessarily. Each product support price is determined independently.

*Question* What migration services are available to help me upgrade?

*Answer* Your local HP sales representative or HP software business partner can help you get this information.

*Question* What educational training packages are available for OML 9.1x?

*Answer* Your local HP sales representative or HP software business partner can help you get this information.
