Additional Information

Send documentation feedback

If you have comments about this document, you can [contact the documentation team](#) by email. If an email client is configured on this system, click the link above and an email window opens with the following information in the subject line:

Feedback on Documentation List (Network Node Manager 10.x)

Just add your feedback to the email and click send. If no email client is available, copy the information above to a new message in a web mail client, and send your feedback to network-management-doc-feedback@hp.com.

We appreciate your feedback!

Documentation Updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To check for recent updates or to verify that you are using the most recent edition of a document, go to: <https://softwaresupport.hpe.com>

Click the 'My Software Support sign-in' at the top right of the HP Software Support page. You will also receive updated or new editions if you subscribe to the appropriate product support service. Contact your HP sales representative for details.

This site requires that you register for an HPE Passport and sign in. To register for an HPE Passport ID, go to [HPE create a new account](#)

Support

You can visit the HPE Software Support web site at: <http://softwaresupport.hpe.com>. This web site provides contact information and details about the products, services, and support that HPE offers.

Most of the support areas require that you register as an HPE Passport user and sign in. Many also require an active support contract. To find more information about support access levels, go to: <https://softwaresupport.hpe.com/web/softwaresupport/access-levels>

HP Software Solutions Now accesses the HPSW Solution and Integration Portal Web site. This site enables you to explore HPE Product Solutions to meet your business needs, includes a full list of Integrations between HPE Products, as well as a listing of ITIL Processes. The URL for this Web site is <https://softwaresupport.hpe.com/web/softwaresupport/document/-/facetsearch/document/KM01702731>
