| Product related questions	
Question	When is HP discontinuing sales for UFT/FT/QTP/QTP-E 11.0x?
Answer	Effective November 1, 2014, HP is announcing the End of Sale UFT/FT/QTP/QTP-E 11.0x. Current customers may continue to purchase additional licenses of UFT/FT/QTP/QTP-E 11.0x until January 1, 2015. As of this date, the product will be removed from HP's Corporate Price List and will no longer be orderable.
Question	Why is HP discontinuing sales for UFT/FT/QTP/QTP-E 11.0x?
Answer	HP has released Unified Functional Testing 12.0x and this provides more features and functionality. With that, HP is announcing the end of sale for UFT/FT/QTP/QTP-E 11.0x. This is in accordance with the HP Software Supported Version Policy. Definitions of terms are documented in the HP Software product version obsolescence guidelines.
Question	What product numbers are affected by this obsolescence?

Answer	Please refer to Appendix B in the customer letter for the list of affected product numbers.
Question	When is the last date I can order UFT/FT/QTP/QTP-E 11.0x?
Answer	UFT/FT/QTP/QTP-E 11.0x will continue to be available for purchase to current support customers through January 1, 2015. As of that date, you will no longer be able to purchase additional licenses of the product.
Question	Can I still purchase additional licenses for UFT/FT/QTP/QTP-E 11.0x? If yes, how?
Answer	Additional licenses may not be purchased for versions that are discontinued and past their end of sale date.
Question	Do I need new license keys when upgrading to version 12.0x of the corresponding products?
Answer	No, your existing license keys will continue to work with version 12.0x of the corresponding products.
Question	What version of UFT/FT/QTP/QTP-E is currently available and what upgrade plans do you have for the product, if any?
Answer	The latest version is version 12.0x. Please check hp.com/go/software or otherwise check with your local HP sales representative or HP software business partner for the latest information.
Question	Who can I contact if I have more questions with regards to this product discontinuance?
Answer	You have several options available to you: • Contact your local HP sales representative or your local HP software business partner: h20229.www2.hp.com/buy/index.html • Web Self Solve: hp.com/go/hpsoftwaresupport/ • HP Technical Support: hp.com/go/hpsoftwaresupport/casemanager/submitcase
Question	What are the hardware requirements to upgrade to version 12.0x of the corresponding product?
Answer	Hardware requirements will vary depending on your operating system, please review the appropriate System Requirements and Compatibility Matrix document or contact your local HP Sales Representative or HP Software Business Partner for further assistance.
Question	Where can I find upgrade information for version 12.0x of the corresponding product?
Answer	Your local HP sales representative or HP Software Business Partner can help you get this information.
Question	I plan to upgrade my UFT/FT/QTP/QTP-E environment using in-house technical resources. Where do I get all the required software?
Answer	All UFT/FT/QTP/QTP-E support customers can download Unified Functional Testing media via My Updates. Depending on the licenses you own, the appropriate functionality will be enabled.
Question	What is the concurrent support time period

hp.com/go/swupdatealerts

Answer	There will be 6 months of concurrent support while you upgrade to version 12.0x.

Support contract related questions	
Question	What is the End of Committed Support date?
Answer	The End of Committed Support date for UFT 11.0x, FT 11.0x & QTP 11.0x is February 28, 2015. The End of Committed Support date for QTP-E 11.0x is August 31, 2015. As of these dates all customer support activities for these respective versions will cease, this includes: • Security Rule updates • Product upgrades
Question	What is the End of Extended Support date?
Answer	The End of Extended Support date for UFT 11.0x, FT 11.0x & QTP 11.0x is February 28, 2017. The End of Extended Support date for QTP-E 11.0x is August 31, 2017. During the two year Extended Support period, you have access to existing patches, defect fixes and telephone support.
Question	Are there any other key dates I need to be aware of?
Answer	Please see Customer Letter page 1 for key dates.
Question	What are my discontinuance options?
Answer	You have the option to continue using UFT/FT/QTP/QTP-E 11.0x. HP will stop providing Committed Support and Extended Support for UFT/FT/QTP/QTP-E 11.0x as listed above. Self-Help support will continue to be available for upto two years after the End of Extended Support. You are encouraged to begin reviewing your business requirements for UFT/FT/QTP/QTP-E 11.0x. You are also encouraged to contact your local HP Sales Representative or HP Software Business Partner for help in determining migration options that meet your business needs.
Question	Can I get a support contract for technical support only, without having to pay for upgrades?
Answer	No, support contracts include both technical support and software updates.
Question	Should there be a defect with a version of UFT/FT/QTP/QTP-E for which no defect fixing is done anymore, can I pay for a fix to be implemented on my request?
Answer	HP may choose to offer defect fixes at a premium price, depending on available resources.
Question	If I am on a support contract, what will I be entitled to?
Answer	You should have received a letter or electronic notification from HP to inform you about the availability of version 12.0x for support customers, what license(s) you were entitled to under your support contract and how to sign up for it. Your local HP Sales and Support Representatives or your HP Software Business Partner can help provide information and assistance to enable your upgrade to be easy and successful.
Question	When I upgrade from UFT/FT/QTP/QTP-E 11.0x to version 12.0x, can I continue my existing support contracts until they expire?
