

# HPE Operations Orchestration 10.70

Software version: 10.70 / November 2016  
Documentation version: 10.70/ November 2016

## Documentation, Videos, Best Practices & Helpful Information

The HPE Operations Orchestration (HPE OO) Documentation Library provides the most up-to-date version of HPE OO documents and videos available on the [HPE Software Support](#) site and the [HPE Live Network portal](#). The table below shows new and updated documentation and videos for HPE Operations Orchestration (HPE OO).

**Note:** If the file download cell is blank for a release, the documentation for the previous release applies.

### HPE Operations Orchestration (HPE OO) Documents and Videos

| Document Name                                 | DOWNLOAD<br>↓      |                    |                    |                    |                    |                    |                    | Comment  |
|---|--------------------|--------------------|--------------------|--------------------|--------------------|--------------------|--------------------|--|
|   | 10.10              | 10.20              | 10.22              | 10.50              | 10.51              | 10.60              | 10.70              |  |
| Release Notes                                 | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <b>Read First!</b>   |
| System Requirements                           | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <b>Read Before Installation!</b>   |
| HPE OO User Guide                             | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> | <a href="#">go</a> |                    | Before 10.50, a compressed zip file containing the documents. Since 10.50, a single PDF file containing all the documents.     |
