## Support

Visit the HP Software support web site at: <https://softwaresupport.hp.com/>

This web site provides contact information and details about the products, services, and support that HP Software offers. HP Software online software support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the support site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Download software patches
- Manage support contracts
- Look up HP support contacts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

To learn more about using the customer support site, go to:

[https://softwaresupport.hp.com/documents/10180/14684/HP\\_Software\\_Customer\\_Support\\_Handbook/](https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/)
