Definitions

Capitalized terms not otherwise defined in this ALA document are defined in the governing agreement.

Term	Definition
<i>Casual Named User or Csl Nmd User</i>	means a Named User that may occasionally access APIs, create and view requests, update only the requests the user created, view portals, and run/view reports.
<i>E-LTU and E-Media</i>	means products which are electronically delivered only, and as such any reference to FOB Destination or delivery methods that are stated on your purchase order other than electronic shall be null and void with respect to these E-LTU or E-Media products.
<i>Implementation</i>	means an installation of the software on a single Server or installed on a cluster of Servers which work together as a single installation of the software.
<i>Instance</i>	means each Implementation of the application installed on a Server.
<i>LTU</i>	means License To Use.
<i>Named User or Nmd User</i>	means a specific individual authorized by you to access the software regardless of whether they are actively using the software.

Software specific license terms

Software products with software specific license terms are described below. Software products covered by this ALA document (as listed above) and not covered in this section do not have software specific license terms.

HP IT Executive Scorecard (previously called HP Executive Scorecard)

HP IT Executive Scorecard is licensed by Casual Named User or by Named User. HP IT Executive Scorecard includes a license to HP Anywhere limited edition software. Use of the remote access capabilities of the HP Anywhere limited edition software is restricted to the HP IT Executive Scorecard software only and cannot be used with any other HP product or third party products.

HP IT Executive Scorecard includes a license to use SAP Web Intelligence and SAP Xcelsius Enterprise ("SAP Software"). Use of the SAP Software is limited solely to connecting to data, universes, and Web Intelligence reports containing IT management data defined by HP IT Executive Scorecard. The use of the SAP Software to connect to any content, report, or universe which contains any data other than that described above is strictly prohibited. Without limiting the generality of the foregoing, you may not use the SAP Software to connect to: any Business Objects™ universes other than the universes supplied with the HP IT Executive Scorecard or Web Intelligence reports containing any data not related to HP IT Executive Scorecard. When using the SAP Software you will be prompted to confirm in a user interface your compliance with this license requirement.
