This document provides answers to frequently asked questions regarding this announcement.

Product related questions

Question When is HP discontinuing sales for HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x?

Answer Effective January 1 2016, HP is announcing the End of Sale of HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x. Current Customers may continue to purchase additional licenses of HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x until November 1 2015. As of this date, the product will be removed from HP's Corporate Price List and will no longer be orderable.

Question What product numbers are affected by this obsolescence?

Answer HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x is a product bundle and as such has no product numbers involved. The individual products and versions that are in this bundle are not affected by this bundle obsolescence program. They will continue to be sold and supported based on the individual product's end of sale and end of support schedule.

Question When is the last date I can order HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x?

Answer As of January 1 2016, HP is not offering the bundle product for sale. However, you can continue to purchase the component products that were included in the bundle.

Question Can I still purchase additional licenses for HP Change Configuration and Release Management 3.0x, 9.0x & 9.1x? If yes, how?

Answer Additional licenses may not be purchased for versions that are discontinued and past their end of sale date.

Question Who can I contact if I have more questions with regards to this product discontinuance?

Answer You have several options available to you:
