Documentation Updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To check for recent updates or to verify that you are using the most recent edition of a document, go to the following URL and sign-in or register: https://softwaresupport.hp.com/

Use the Search function at the top of the page to find documentation, whitepapers, and other information sources. To learn more about using the customer support site, go to: https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

You will also receive updated or new editions if you subscribe to the appropriate product support service. Contact your Hewlett Packard Enterprise sales representative for details.

Support

Visit the Hewlett Packard Enterprise Software Support Online web site at https://softwaresupport.hp.com/

This web site provides contact information and details about the products, services, and support that HPE Software offers.

HPE Software online support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the support web site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Download software patches
- Manage support contracts
- Look up HPE support contacts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

To learn more about using the customer support site, go to:
https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

This document provides information regarding documentation and help availability for HP Propel 2.10 and HP Propel Service Exchange 2.10, including links to manuals and help PDFs, plus language support information.

Documentation

To access HP Propel documentation and whitepapers, go to the following URL and sign-in or register: https://softwaresupport.hp.com/

To access documentation, whitepapers, and other information sources, use the Search function.

To learn more about using the HP Software Support site, go to:
https://softwaresupport.hp.com/documents/10180/14684/HP_Software_Customer_Support_Handbook/

Available core documentation is shown below with whitepapers and other knowledge sources added as required. See Localized Languages for language support.
