

# Hewlett Packard Enterprise

Codar

## Documentation Library

Software version: 1.xx

Document release date: January 2017

Software release date: January 2017

The Codar Documentation Library provides links to download all version 1.xx documents that are available on the [HPE Software Support portal](#). An HPE Passport login is required for all documentation downloads.

**Get the latest:** This Codar Documentation Library is updated when additional documents or videos are made available.

**Note:** If the file download cell is blank for a release, the documentation for the previous release applies. ★ = new in this release.
