## Documentation Updates

To check for recent updates or to verify that you are using the most recent edition of a document, go to: <https://softwaresupport.hpe.com/>.

This site requires that you register for an HPE Passport and to sign in. To register for an HPE Passport ID, click **Register** on the HPE Software Support site or click **Create an Account** on the HPE Passport login page.

You will also receive updated or new editions if you subscribe to the appropriate product support service. Contact your HPE sales representative for details.

## Support

Visit the HPE Software Support site at: <https://softwaresupport.hpe.com/>.

Most of the support areas require that you register as an HPE Passport user and to sign in. Many also require a support contract. To register for an HPE Passport ID, click **Register** on the HPE Support site or click **Create an Account** on the HPE Passport login page.

To find more information about access levels, go to: <https://softwaresupport.hpe.com/web/softwaresupport/access-levels>.

**HPE Software Solutions Now** accesses the Solution and Integration Portal website. This site enables you to explore HPE product solutions to meet your business needs, includes a full list of integrations between HPE products, as well as a listing of ITIL processes. The URL for this website is <https://softwaresupport.hpe.com/km/KM01702731>.

# Documentation Library

The Operations Bridge Analytics Documentation Library provides links to download all version 2.3x and 3.00 documents that are available on the [HPE Software Support portal](#).

**Note:** Operations Bridge Analytics 3.00 comes with the following documentation changes:

*OneView Installation Guide.* The document is no longer published because the integration with OneView is not supported anymore.

*Configuration Guide.* The Configuration Guide is now part of the Installation Guide and the Online Help, and is no longer a standalone guide.

*BSM/OMi Integration Guide.* The integration is now described in the *OMi Integrations Guide*.
