

# Comtrade Smart Plug In for Siebel

## Obsolescence Announcement

### Frequently Asked Questions

On January 1, 2017, Hewlett Packard Enterprise announced the product obsolescence for Comtrade Smart Plug In for Siebel with no replacement product as entitlement.

Key program dates listed below for Comtrade Smart Plug In for Siebel are based on HPE's time-based support policy under which end-of-support dates are announced as new product versions are released. Our goal is to provide you with a clear visibility into the support time-line of software products, enabling you to use this information to plan, test, and deploy new product versions. For more information, check our [Software Support Policy](#).

This document provides answers to frequently asked questions regarding this announcement.

### PRODUCT RELATED QUESTIONS

---

<b>Question</b>	When is HPE obsoleting Comtrade Smart Plug In for Siebel?
<b>Answer</b>	Effective January 1, 2017, HPE is announcing the obsolescence of Comtrade Smart Plug In for Siebel with no replacement product as entitlement. Current Customers may continue to purchase additional licenses of Comtrade Smart Plug In for Siebel until March 1, 2017. As of this date, the product will be removed from HPE's Corporate Price List and will no longer be orderable.
<b>Question</b>	What product numbers are affected by this obsolescence?
<b>Answer</b>	Please refer to Appendix B in the customer letter for the list of affected product numbers.
<b>Question</b>	When is the last date I can order Comtrade Smart Plug In for Siebel?
<b>Answer</b>	Comtrade Smart Plug In for Siebel will continue to be available for purchase to current support customers through March 1, 2017. As of that date, you will no longer be able to purchase additional licenses of the product version.
<b>Question</b>	Can I still purchase additional licenses for Comtrade Smart Plug In for Siebel? If yes, how?
<b>Answer</b>	Additional licenses may not be purchased for versions that are obsolesced and past their end of sale date.
<b>Question</b>	Who can I contact if I have more questions with regards to this product obsolescence?
<b>Answer</b>	You have several options available to you: Contact your local HPE sales representative or your local HPE business partner: <a href="http://hpe.com/software/home">hpe.com/software/home</a>
