Apr 19st, 2017

Dear HPE AP4SaaS Customer,

In January 2016, HPE announced the general availability of HPE AP4SaaS 3.1. Such release brought additional new features and improvements, especially related to the ability to easily onboard 3rd Party SaaS services onto the Marketplace powered by AP4SaaS.

In November 2016, HPE released the 4.0 version of AP4SaaS, carrying many new features (like Payments Management) and compelling performance improvements.

The AP4SaaS 3.1 and AP4SaaS 4.0 releases launch is impacting the previous AP4SaaS releases end of sales and end of support dates.

This letter is announcing the End-of-Sale and End-of-Support dates of previous AP4SaaS releases as described below:

HPE AP4SaaS 3.0.1 product support will end on 30th June 2019.

HPE AP4SaaS 3.0.1 product will be no longer orderable or available for purchase after 1st June 2017.

AP4SaaS 3.0.1 Customers who have valid support contract are eligible for free upgrade of software and licenses to the AP4SaaS 4.0 Starter Kit license. Please contact your HPE Sales representative for further details.
.

More information
Should you have any questions about this end of availability communication, or for assistance in understanding the options available to you, please contact your local HPE sales representative or HPE software business partner. When providing information, please include your name, country, phone number, company name, product number and your HPE Service Agreement ID or HPE System Handle.

In addition, for technical assistance and information, please visit Software Support Online: **https://softwaresupport.hpe.com/**

HPE once again wishes to thank you for choosing HPE AP4SaaS. We appreciate your business and look forward to continuing to serve your business needs in the future.

Sincerely,
