## Documentation updates

The title page of this document contains the following identifying information:

- Software Version number, which indicates the software version.
- Document Release Date, which changes each time the document is updated.
- Software Release Date, which indicates the release date of this version of the software.

To verify you are using the most recent edition of a document, go to <https://softwaresupport.softwaregrp.com/group/softwaresupport/search-result?doctype=manuals?keyword=>.

To check for recent software patches, go to <https://softwaresupport.softwaregrp.com/group/softwaresupport/search-result?doctype=patches?keyword=>.

This site requires that you register for a Passport and sign in. To register for a Passport ID, go to <https://cf.passport.softwaregrp.com/hppcf/login.do>.

Or click the **Register** link at the top of the Micro Focus Software Support page.

You will also receive updated or new editions if you subscribe to the appropriate product support service. Contact your Micro Focus sales representative for details.

## Support

Visit the Micro Focus Software Support Online web site at <https://softwaresupport.softwaregrp.com/>.

This web site provides contact information and details about the products, services, and support that Micro Focus offers.

Micro Focus online support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can benefit by using the support web site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Manage software licenses
- Download new versions of software or software patches
- Access product documentation
- Manage support contracts
- Look up Micro Focus support contacts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

Most of the support areas require you to register as a Passport user and sign in. Many also require a support contract.

To register for a Passport ID, go to <https://cf.passport.softwaregrp.com/hppcf/login.do>.
