Definitions

Capitalized terms not otherwise defined in this Additional License Authorizations document are defined in the governing Agreement.

Term	Definition
<i>ART Enterprise or ART Ent</i>	means a license which allows Unlimited users of the content within the Licensee's legal entity.
<i>E-LTU and E-Media</i>	means products which are electronically delivered only, and as such any reference to FOB Destination or delivery methods that are stated on Licensee's purchase order other than electronic shall be null and void with respect to these E-LTU or E-Media products.
<i>Internal Use</i>	means access and Use of the Software for purposes of supporting the internal operations or functions of Licensee.
<i>LTU</i>	means License To Use.
<i>Named User</i>	means a specific individual authorized by Licensee to access the Software regardless of whether they are actively using the Software.
<i>Publish</i>	means to produce content in a format that can be made available for Use.
<i>Suite</i>	means two or more Software Products combined into a single license offering. The specific Software Products included in a Suite are specified in the Software Specific License Terms below. Software Products included in a Suite are governed by the individual authorizations and use restrictions associated with each Software Product.
<i>Unlimited or Unl</i>	means without restrictions in terms of number of systems, devices or media, depending on the context.
<i>Use</i>	means to install, store, load, execute and display one copy of the Software.

Software specific license terms

For Software Products with software specific license terms, these terms are described below. Software Products covered by this additional license authorization (as listed on the first page under Product use authorizations) and not covered in this section do not have software specific license terms.

HP Adoption Readiness Tool Author Dev Kit

HP Adoption Readiness Tool Author Dev Kit is licensed on a Named User basis. Each developer will be considered a Named User and the quantity of HP Adoption Readiness Tool Author Dev Kits purchased at a minimum must be equal to the number of developers who will be using the Software to customize or create content. The HP Adoption Readiness Tool Author Dev Kit can be used to manipulate, modify and Publish HP ART Course content purchased from HP and can also be used to create content on other topics and third-party applications.

HP Adoption Readiness Tool Courses

HP Adoption Readiness Tool Course for Asset Manager, HP Adoption Readiness Tool Course for Project & Portfolio Management, HP Adoption Readiness Tool Course for Quality Center, HP Adoption Readiness Tool Course for QuickTest professional and HP Adoption Readiness Tool Course for Service Manager are licensed on an ART Enterprise basis. Each of these Software Products contains two main deliverables: published content and source content.

- The published content includes course modules, simulations, documents and a website template for deployment of content to internal users.
- The source content includes the material that was used to create the Published content. An HP Adoption Readiness Tool Author Dev Kit is required in order to manipulate, modify and Publish the source content. With the HP Adoption Readiness Tool Author Dev Kit, additional outputs can be Published (by the customer) from the source content. These outputs, which are not included in the Published source content, include test scripts, course packages for LMS upload and student guides.

<i>HP Adoption Readiness Tool Service Manager Suite</i>	<ul style="list-style-type: none">▪ 1 HP Adoption Readiness Tool Course for Service Manager▪ 2 HP Adoption Readiness Tool Author Dev Kit Named Users

Additional license terms

The Software described in this Additional License Authorization (“ALA”) is governed by the agreement set forth on the quote for the order referencing this Software. The terms of this ALA shall govern delivery of the Software and specifically take precedence over any different terms in such agreement to the extent of a conflict.

Term	Definition
A.	Licensee accepts Software upon delivery.
B.	Third party suppliers are intended beneficiaries under this Agreement and independently may protect their rights in the Software in the event of any infringement. All rights not expressly granted to Licensee are reserved solely to HP or its suppliers.
C.	Licensee must reproduce all copyright notices that appear in or on the Software (including documentation) on all permitted copies or adaptations. Copies of documentation are limited to Internal Use.
D.	Licensee may not Use or allow any other person or entity to Use Software or Support for the provision of commercial timesharing, service bureau, managed, outsourcing, ASP, subscription or other services to any person or entity without written authorization from HP, pursuant to additional terms and conditions or a separate written agreement for such Use and where applicable licenses and fees.
E.	Licensee agrees that HP may audit relevant books and records (including electronic), devices computers and systems of Licensee and its service providers, consultants and contractors (collectively, “Contractors”) relating to the Software in order to verify Use of the Software in compliance with the Software license terms (“License Terms”). HP may make copies of any such books and records. HP may conduct the audit itself, or at its option may use an independent third party. Audits may be conducted at any sites of Licensee, and its Contractors where copies of the Software are installed, Used or accessed, including remotely. HP will bear its own costs in connection with an audit. HP shall provide at least twenty one (21) calendar days prior notice of any audit, except when it has reasonable cause to suspect that there is an infringement of its intellectual property rights, in which case only two (2) working days’ notice is required. Any audit would be performed during Licensee’s normal business hours in a manner that minimizes disruption to Licensee’s business. Licensee and its Contractors shall provide HP and its auditor with all assistance reasonably required in order to carry out the audit. If an audit reveals underpayments, then Licensee will pay HP such amounts invoiced by HP based on the prices for the Software license and Support fees specified in the local published HP price list in effect on the date of completion of the audit. If the underpayment exceeds by 5% the prices payable by Licensee for the Software and Support during the period covered by the audit, then Licensee will also pay the costs reasonably incurred by HP in connection with the audit and seeking compliance with this sub-section. HP’s rights and remedies in this section shall be without prejudice to any additional rights or remedies it may have at law or in equity for Licensee’s non-compliance with these License Terms. Licensee shall cause its Contractors to agree to, and comply with, the provisions of this section and shall be responsible for their non-compliance.
