

ADDITIONAL LICENSE AUTHORIZATIONS

For HP Project & Portfolio Management Center Software products

PRODUCT USE AUTHORIZATIONS

This document provides Additional License Authorizations for the following Software products in the Project & Portfolio Management Center of HP's Business Technology Optimization Software:

Products	Suites
HP Project & Portfolio Management	HP Project & Portfolio Management Portfolio Manager Suite
	HP Project & Portfolio Management Project Manager Suite
	HP Project & Portfolio Management Team Member Suite

Definitions

Capitalized terms not otherwise defined in this Additional License Authorizations document are defined in the governing Agreement.

Term	Definition
<i>Bundle or Bdl</i>	means an offering which includes a Term LTU, Term Support and SaaS.
<i>Connector or Conn</i>	means an integration element to a certain software, format or function through use of the HP Software Product.
<i>Device or Dev</i>	means an addressable entity, physical or virtual, including but not limited to router, switch, bridge, hub, server, PC, laptops, handheld device or printer that resides within the range defined for interrogation and asset tracking.
<i>E-LTU and E-Media</i>	means products which are electronically delivered only, and as such any references to FOB Destination or delivery methods that are stated on Your purchase order other than electronic shall be null and void with respect to these E-LTU or E-Media products.
<i>Foundation</i>	means a single Instance of the core or primary components of a software application which enable its basic functionality, and without which the additional modules available for the application are unable to operate. Foundation software may be installed on one or multiple servers, depending on the specific architecture required to enable the functioning of the single Instance.
<i>Instance</i>	is defined as each implementation of the application installed on a server.
<i>Internal Use</i>	means access and Use of the Software for purposes of supporting the internal operations or functions of Licensee.
<i>LTU</i>	means License To Use.
<i>Casual Named User or Csl Nmd User</i>	means a Named User that may occasionally access APIs, create and view requests, update only the requests the user created, view portals, and run/view reports.
<i>Power Named User</i>	means a Named User that may access APIs, create and view requests, update requests created by any Demand Management user, review the system portal and run/view reports.
<i>Named User or Nmd User</i>	means a specific individual authorized by Licensee to access the Software regardless of whether they are actively using the Software.

Term	Definition
<i>Occasional User</i>	means an user who logs into the SaaS Project and Portfolio Management Instance once a week or less.
<i>SaaS</i>	means Software as a Service which is a service which allows access to the Software, support and related professional services, as described in an order document, datasheet or a Statement of Work (SOW).
<i>Standard Users</i>	means those users who log into the SaaS Project and Portfolio Management Instance more than once a week.
<i>Suite</i>	means two or more Software products combined into a single license offering. The specific software products included in a Suite are specified in the Software Specific License Terms below. Software products included in a Suite are governed by the individual authorizations and use restrictions associated with each Software product.
<i>Term License to Use or Term LTU</i>	means a Software license to use (LTU) which indicates in its license description that the license is valid for a specific period of time such as One Month(1M) , One Year(1Y) etc. Term LTU's are not perpetual licenses.
<i>Term Support</i>	means a fixed period support offering that is only valid during the time period of the associated Term LTU.
<i>Use</i>	means to install, store, load, execute and display once copy of the Software.

Software specific license terms

For Software Products with software specific license terms, these terms are described below. Software Products covered by this additional license authorization (as listed on the first page under Product use authorizations) and not covered in this section do not have software specific license terms.

HP Project & Portfolio Management

HP Project & Portfolio Management includes a license to HP Anywhere limited edition Software. Use of the remote access capabilities of the HP Anywhere limited edition Software is restricted to the HP Project & Portfolio Management Software only and cannot be used with any other HP Product or third party products.

HP Project & Portfolio Management Application Portfolio Management - Casual Named User 100 Pk: is a bundle of 100 licenses intended solely for access to Application Portfolio Management in order to respond to surveys or update specific application detail information and view dashboards containing content specific to this user type.

HP Project & Portfolio Management Application Portfolio Management - Named User: allows to add and update information, view application and portfolio level portlets, run reports, perform dynamic graphing analysis, create, submit and review surveys, and create new portlets and dashboard items.

HP Project & Portfolio Management Demand Management –Casual Named User: access APIs, submit requests, monitor the status of own requests, and provide user sign-off. Includes access to Application Portfolio Management to respond surveys or update specific application detail information and view dashboards containing content specific to this user type.

HP Project & Portfolio Management Demand Management – Power Named User: access APIs, submit requests, monitor the status of own and others' requests, and provide user sign-off. Participate in the request processes and actively resolve requests – update request information, perform approvals, assign requests, prioritize requests, move requests through the workflow. Monitor SLA's and act on exceptions, run reports. Includes access to Application Portfolio Management to respond surveys or update specific application detail information and view dashboards containing content specific to this user type.

Additional license terms

The Software described in this Additional License Authorization (“ALA”) is governed by the agreement set forth on the quote for the order referencing this Software. The terms of this ALA shall govern delivery of the Software and specifically take precedence over any different terms in such agreement to the extent of a conflict.

Term	Definition
A.	Licensee shall install and use the Software as authorized in the applicable Agreement only as a complete product and may not use portions of such Software on a standalone basis separate from the complete Software unless expressly authorized in the Transaction Documents, Specifications or an applicable Agreement.
B.	To the extent this restriction is not prohibited under applicable law, Licensee shall not disclose to any third party the results of (i) any performance benchmarks Licensee runs on Software Products themselves, or any portion thereof, or (ii) specific detailed comparisons Licensee makes between Software Products, or any portion thereof, and any Licensee or third-party product, in each case under (i) and (ii) without the prior written consent of HP.
C.	Software contains Software and associated Specifications licensed from third parties that are confidential to, and trade secrets of, such parties. Licensee will not take any action other than to Use it as authorized under the Agreement as part of the Software Products and will not disclose it to third parties.
D.	Unless stated otherwise, Licensee is authorized to Use one Device at a time for Licensee’s Internal Use.
E.	Licensee accepts Software upon delivery.
F.	Third party suppliers are intended beneficiaries under this Agreement and independently may protect their rights in the Software in the event of any infringement. All rights not expressly granted to Licensee are reserved solely to HP or its suppliers.
G.	Licensee must reproduce all copyright notices that appear in or on the Software (including documentation) on all permitted copies or adaptations. Copies of documentation are limited to Internal Use.
H.	Licensee may not Use or allow any other person or entity to Use Software or Support for the provision of commercial timesharing, service bureau, managed, outsourcing, ASP, subscription or other services to any person or entity without written authorization from HP, pursuant to additional terms and conditions or a separate written agreement for such Use and where applicable licenses and fees.
I.	Licensee agrees that HP may audit relevant books and records (including electronic), devices computers and systems of Licensee and its service providers, consultants and contractors (collectively, “Contractors”) relating to the Software in order to verify Use of the Software in compliance with the Software license terms (“License Terms”). HP may make copies of any such books and records. HP may conduct the audit itself, or at its option may use an independent third party. Audits may be conducted at any sites of Licensee, and its Contractors where copies of the Software are installed, Used or accessed, including remotely. HP will bear its own costs in connection with an audit. HP shall provide at least twenty one (21) calendar days prior notice of any audit, except when it has reasonable cause to suspect that there is an infringement of its intellectual property rights, in which case only two (2) working days’ notice is required. Any audit would be performed during Licensee’s normal business hours in a manner that minimizes disruption to Licensee’s business. Licensee and its Contractors shall provide HP and its auditor with all assistance reasonably required in order to carry out the audit. If an audit reveals underpayments, then Licensee will pay HP such amounts invoiced by HP based on the prices for the Software license and Support fees specified in the local published HP price list in effect on the date of completion of the audit. If the underpayment exceeds by 5% the prices payable by Licensee for the Software and Support during the period covered by the audit, then Licensee will also pay the costs reasonably incurred by HP in connection with the audit and seeking compliance with this sub-section. HP’s rights and remedies in this section shall be without prejudice to any additional rights or remedies it may have at law or in equity for Licensee’s non-compliance with these License Terms. Licensee shall cause its Contractors to agree to, and comply with, the provisions of this section and shall be responsible for their non-compliance.
