
1 Release Notes

30 June 2005

This document provides an overview of the service pack for the HP OpenView Administrator Workstation Using Radia Version 4.0.1.

It contains the following information.

- *In This Version*
- *Installation Notes*
- *Support*
- *Legal Notices*

In This Version

This version of the Radia Administrator Workstation 4.0.1 installs the following components to support the administration of the HP-OpenView using Radia Release 4.1:

- Radia Client Explorer
- Radia Packager
- Radia Publisher
- Radia Screen Painter
- Radia System Explorer

System Explorer

- The MSI Basic Behaviors section of the New Installation Wizard dialog has been enhanced to support full editing of the **MSI native mode methods** to be used for package management.

Installation Notes

Installation requirements, as well as instructions for installing the Radia Administrator Workstation 4.0.1, are documented in the *HP OpenView Application Manager Using Radia Installation and Configuration Guide*, and in the *HP OpenView Software Manager Using Radia Installation and Configuration Guide*.

Service pack 1 for Radia Administrator Workstation 4.0 is included in the installation. In addition to service pack 1, the following individual fixes have been included in this release to complement other add-on products, and reside in the “maint” folder.

- For System Explorer, Updated Radimsi.dll (R3207040)

Support

Please visit the HP OpenView web site at: <http://www.managementsoftware.hp.com/>

This web site provides contact information and details about the products, services, and support that HP OpenView offers. You can also go directly to the support web site at:

<http://support.openview.hp.com/>

HP OpenView online software support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valuable support customer, you can benefit by being able to:

- Search for knowledge documents of interest
- Submit and track progress on support cases
- Manage a support contract
- Look up HP support contacts
- Review information about available services
- Enter discussions with other software customers
- Research and register for software training

NOTE: Most of the support areas require that you register as an HP Passport user and log in. Many also require an active support contract. To find more information about support access levels, go to the following URL:

http://support.openview.hp.com/access_level.jsp

To register for an HP Passport ID, go to the following URL:

<https://passport.hp.com/hpp2/newuser.do>

To view release notes and other documentation:

- 1 Click using hp software--> product manuals.

The **product manuals search** window opens. It is located at:

http://ovweb.external.hp.com/lpe/doc_serv/

- 1 In the select product list, click [product name].
- 2 In the select version list, click [version number].
- 3 In the **OS** list, click [**OS type**].
- 4 To start the search, click **Open** or **Download**.

NOTE: To view files in PDF format (*.pdf), Adobe Acrobat Reader must be installed on your system. To download Adobe Acrobat Reader, go to the following URL:

<http://www.adobe.com>
