
HP Anywhere Mini App Help Center

HP Anywhere integrates with the following mini apps:

- HP ALM Defect Management for Smartphone
- HP Executive Scorecard for Smartphone
- HP Executive Scorecard for Tablet
- HP PPM Requests and TM Approval for Smartphone
- HP BSM Service Health for Smartphone
- HP BSM Application Performance Management for Smartphone

Click on a link to access the Getting Started documentation for each mini app.

These links require that you register for an HP Passport and sign in. To register for an HP Passport ID, go to:

<http://h20229.www2.hp.com/passport-registration.html>

Or click the **New users - please register** link on the HP Passport login page.

The HP Anywhere administrator is responsible for downloading the mini apps from HPLN and making them available to the end user. The end user can then install the mini app onto the HP Anywhere mobile client. For details, see the [HP Anywhere Administrator Guide](#).
