Previous versions of Additional License Authorizations documents

The above listed Additional License Authorizations are the ones that apply to new purchases from the date the ALA document was published. The version that applies to the date of a previous purchase was delivered along with the license certificate or right-to-use certificate for the purchased license(s). Effective April 2009, ALA documents are published on MySupport. When a new ALA document is being published, the replaced ALA document can be found through the Self-solve Knowledge Search. Enter **ALA** as a keyword to search on and select document type **Manuals**. Then click on Search to look for documents with Additional License Authorizations. You can either search these for all products or for a specific product, as long as you also select **All Versions** and **All Operating Systems**.

 To search for an ALA document, you need to sign in to MySupport with your Passport account.
