Dynamic Drive DHTML scripts- Terms of Use

Unless indicated otherwise by the credit, all scripts on this site are original scripts written by the authors of Dynamic Drive, and are protected by both US and international copyright laws. The below lists the terms of use users of Dynamic Drive must agree to before using the programs/scripts (Last updated: May 22nd, 06):

1. Users may use any DHTML scripts offered for download on Dynamic Drive, free of charge, on both personal and commercial web sites. This includes web designers who wish to use our DHTML scripts in their paid web site projects.

2. You may modify our scripts to customize them based on your needs.
3. Users may NOT, however, redistribute or repost/ resell for download any DHTML script found on Dynamic Drive. Redistribution is defined as re-offering our scripts for download in any fashion, whether on a competing web site, an application that generates code snippets, or a CD-ROM collection of CSS/JavaScript codes etc. Some examples of what is acceptable and what is not are:

* Acceptable:

- Use our DHTML scripts on any personal or commercial web site to aid in its functionality/ usability.
- As a web designer, use our DHTML scripts in your paid projects for your client web sites.
- As a software developer, use our DHTML scripts within a application/ program as part of its interface, such as a CSS menu being used as the program's navigation interface. The program itself can be distributable.

In all cases above, the credit notice within the script must remain intact and unaltered.

* Not Acceptable:

- Put our DHTML scripts on another script library or webmaster type site for others to download.
 - Use our DHTML scripts in any type of service or application whereby our codes are part of the product offerings themselves.
 - Put our DHTML scripts in any other types of medium for direct redistribution, such as a CD-ROM that consists of, but not limited to, webmaster codes and web graphics.
4. Users agree not to remove/ edit the credit notice within the DHTML source code, or claim the code to be work of their own. What is the copyright notice? It appears inside the <script> tag of each script, and looks something like this:

```

/*****
* Dynamic Countdown script- © Dynamic Drive (http://www.dynamicdrive.com)
* This notice MUST stay intact for legal use
* Visit http://www.dynamicdrive.com/ for this script and 100s more.
*****/

```

Sometimes you may wish to move the DHTML script to an external .js file. In such instances, the credit notice must still be retained within the SCRIPT tags, in the page's visible source:

```

<script src="countdown.js" type="text/javascript">
/*****
* Dynamic Countdown script- © Dynamic Drive (http://www.dynamicdrive.com)
* This notice MUST stay intact for legal use
* Visit http://www.dynamicdrive.com/ for this script and 100s more.

```

*****/

</script>

5. Users agree not to use scripts found on Dynamic Drive for illegal purposes, or on pages containing illegal material.
6. Users agree not to hold Dynamic Drive liable for any damages resulted from proper or improper use of any of the scripts found on Dynamic Drive. Use at your own risk.
7. Users are not required to link back to Dynamic Drive to use our DHTML scripts, as much as they are appreciated. :)

By using any of the scripts on Dynamic Drive, you understand that you have read and agreed to the above usage terms. These terms will be strictly enforced, and violators will face criminal charges. Don't say our lawyer didn't warn you!

Copyright © 1998-2010 Dynamic Drive. Please read Terms Of Use here before using any of the scripts.

If you comply with these license terms, you have the rights below.

1. **INSTALLATION AND USE RIGHTS.** You may install and use any number of copies of the software on your devices.
2. **SCOPE OF LICENSE.** The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not
 - disclose the results of any benchmark tests of the software to any third party without Microsoft's prior written approval;
 - reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
 - publish the software for others to copy; or
 - rent, lease or lend the software.
3. **TRANSFER TO A THIRD PARTY.** The first user of the software may transfer it and this agreement directly to a third party. Before the transfer, that party must agree that this agreement applies to the transfer and use of the software. The first user must uninstall the software before transferring it separately from the device. The first user may not retain any copies.
4. **EXPORT RESTRICTIONS.** The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. 7. **APPLICABLE LAW.**

8. **LEGAL EFFECT.** This agreement describes certain legal rights. You may have other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
9. **DISCLAIMER OF WARRANTY.** The software is licensed “as-is.” You bear the risk of using it. Microsoft gives no express warranties, guarantees or conditions. You may have additional consumer rights under your local laws which this agreement cannot change. To the extent permitted under your local laws, Microsoft excludes the implied warranties of merchantability, fitness for a particular purpose and non-infringement.
10. **LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES.** You can recover from Microsoft and its suppliers only direct damages up to U.S. \$5.00. You cannot recover any other damages, including consequential, lost profits, special, indirect or incidental damages.

- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

sales@pdflib.com, support@pdflib.com, www.pdflib.com

1. Definitions

The effective date of this agreement is the date shown on the invoice. This agreement defines the licensing terms for the following software products:

(a) PDFlib 7.0.3

(b) PDFlib+PDI 7.0.3

(c) PDFlib Personalization Server (PPS) 7.0.3 and Block Plugin

These products will be collectively referred to as the Program in this agreement. The Program is delivered with a manual which describes the programming features and their usage (the Documentation).

2. System-based License

Licensee is granted the non-exclusive and perpetual right to use the Program on a number of computers using a particular operating system.

Except on IBM eServer iSeries, IBM eServer zSeries, and compatible systems, a purchased license may be transferred to another computer running under the same operating system provided that no two computers are driven concurrently under the same license.

Except on IBM eServer iSeries, IBM eServer zSeries, and compatible systems, Licensee may use the Program on an unlimited number of development machines, provided these machines are not used for production purposes at the same time (for example, they cannot be accessed over a network except by developers working on products which incorporate a licensed copy of the Program), and run under the same operating system for which a license was purchased.

3. Restrictions

3.1 Intellectual Property

Licensee acknowledges that the Program is copyrighted intellectual property of PDFlib GmbH, and that PDFlib GmbH retains exclusive ownership of the Program and Documentation, subject however to all terms and conditions of this agreement.

It is expressly agreed that this license does not include ownership of the Program's source code, but only the right-to-use as defined by this agreement.

3.2 Reverse Engineering and Confidentiality

Licensee agrees to not translate, disassemble, or reverse-engineer the Program.

Licensee agrees to not redistribute or make publicly available any license key received from PDFlib GmbH.

3.3 Updates

If Licensee obtained the Program as an update of an earlier version or an upgrade of another product, it is provided to Licensee on a license exchange basis. By installing and using an updated or upgraded version of the Program Licensee agrees to terminate the license for the earlier version of the Program or the other product, respectively. Licensee will not continue to use the earlier version of the Program or the other product, and will not transfer it to another person or entity.

4. Delivery

The Program and Documentation are delivered in digital format only. Licensee agrees to retrieve the Program and Documentation, as well as any relevant maintenance updates from PDFlib GmbH's Website at www.pdflib.com. Neither digital storage media nor printed Documentation will be delivered to licensee by PDFlib GmbH.

5. Warranty and Support

5.1 Performance of the Program

PDFlib GmbH warrants that the Program will perform substantially in accordance with the Documentation when used as directed in the Documentation. This warranty does not cover use of the Program in ways which are not covered in the Documentation (e.g., by calling undocumented functions, or by not obeying documented restrictions), or using modified copies of the Program unless such modifications have been authorized by PDFlib GmbH.

PDFlib GmbH warrants that it is owner of the Program with authority to license the Program to licensee, and that the Program does not infringe third party intellectual property rights. PDFlib GmbH agrees to indemnify, defend and hold harmless licensee from any claims either that PDFlib GmbH does not own the Program, or that the Program infringes a third party's intellectual property rights.

In the event the unmodified Program fails to satisfy this limited warranty during a warranty period of 30 days after the effective date of this agreement, PDFlib GmbH shall promptly, at its expense and in its discretion, (i) provide a correction or workaround for any reproducible errors which are reported by licensee, and deliver an updated version of the Program, or (ii) return a refund of any license fees paid pursuant to this agreement. In this event licensee will immediately terminate any use and distribution of the Program.

Technical support as described above is available by e-mail only. Maintenance updates of the Program as indicated in section 1 do not extend the initial warranty period.

5.2 Warranty against Disablement

PDFlib GmbH expressly represents and warrants that, other than a disabling mechanism on the functional evaluation copy of the Program which disabling mechanism is removed upon receipt by licensee of the license key for the full version of the Program, the Program will not intentionally cause or permit any portion of the Program provided or developed by PDFlib GmbH hereunder to contain any protection feature designed to prevent its use. These protection features include, without limitation, any computer virus, worm, software lock, drop dead device, Trojan-horse routine, trap door, time bomb, or any other codes or instructions that may be used to access, modify, delete, damage or disable the Program or any other component of licensee's computer systems. If PDFlib GmbH becomes aware of any such feature, PDFlib GmbH will promptly notify licensee thereof. PDFlib GmbH further represents and warrants that it will not impair the operation of the Program in any way other than pursuant to an order of a court of law.

5.3 Limitations and Disclaimer

Except for breach of PDFlib GmbH's warranties of ownership of the Program and non-infringement of third party intellectual property, the foregoing states the sole and exclusive remedies for PDFlib GmbH's breach of warranty. The foregoing warranties are in lieu of all other warranties or conditions, express or implied, and any implied warranty or condition of fitness for a particular purpose, merchantability, or merchantable quality. No person is authorized to make any other warranty or representation concerning the performance of the Program other than according to this paragraph. Licensee shall make no other warranty, express or implied, on behalf of PDFlib GmbH.

6. Consequential Damages Waiver

Neither party will be liable for any loss of use, interruption of business, or any indirect, special, incidental, or consequential damages of any kind (including lost profits), regardless of the form of action whether in contract, tort (including negligence), strict product liability or otherwise.

7. Applicable Law

This license is governed by the laws of Germany, excluding choice of law rules. If any part of this license is found to be in conflict with the law, that part shall be interpreted in its broadest meaning consistent with the law, and no other parts of the license shall be affected.

8. Final Agreement

This agreement constitutes the complete, final and exclusive expression of the parties' agreement, and supersedes all proposals and other communications made between the parties concerning the subject matter hereof. This agreement cannot be modified except by written agreement signed by all the parties hereto.
