# About this document

## Related documentation

In addition to this guide, please refer to other documents for this product:

- *HP Medical Archive solution Release Notes for 8.1.1*
- *HP Medical Archive solution user guide*
- *HP Medical Archive solution audit message reference*
- *HP Medical Archive solution DICOM Integration Guide*
- *HP Medical Archive solution Siemens Integration Guide*
- *HP Medical Archive solution DICOM Conformance Statement*

These and other HP documents can be found on the HP documents web site:

<http://www.hp.com/support/>

## Documentation updates

The title page of this document contains the following identifying information:

- Software version number  
Indicates the software version.
- Document release date  
Changes each time the document is updated.
- Software release date  
Indicates the release date of this version of the software.

To check for recent updates, or to verify that you are using the most recent edition of a document, go to:

[http://ovweb.external.hp.com/lpe/doc\\_serv/](http://ovweb.external.hp.com/lpe/doc_serv/)

<http://h20230.www2.hp.com/selfsolve/manuals>

You can also receive updated or new editions if you subscribe to the appropriate product support service. For details, contact your HP sales representative.

## Subscription service

HP strongly recommends that customers sign up online using the Subscriber's choice web site:

<http://www.hp.com/go/e-updates>

- Subscribing to this service provides you with e-mail updates on the latest product enhancements, newest versions of drivers, and firmware documentation updates as well as instant access to numerous other product resources.
- After signing up, you can quickly locate your products under Product Category.

## Support

You can visit the HP Software Support web site at:

<http://www.hp.com/go/hpsoftwaresupport>

HP Software Support Online provides an efficient way to access interactive technical support tools. As a valued support customer, you can benefit by using the support site to:

- Search for knowledge documents of interest
- Submit and track support cases and enhancement requests
- Download software patches
- Manage support contracts
- Look up HP support contacts
- Review information about available services
- Enter into discussions with other software customers
- Research and register for software training

Most of the support areas require that you register as an HP Passport user and sign in. Many also require a support contract.

To find more information about access levels, go to:

[http://h20230.www2.hp.com/new\\_access\\_levels.jsp](http://h20230.www2.hp.com/new_access_levels.jsp)

For more information about HP Passport, go to:

<http://h20229.www2.hp.com/passport-registration.html>
